Portfolio

Developed a single-page portfolio website as a showcase of design skills. Employed CSS extensively to craft a visually appealing and user-friendly interface. Implemented a vertical-horizontal navigation bar on the right for seamless navigation. This project effectively demonstrates proficiency in web design and layout, creating a cohesive and engaging online presence.

Languages used – HTML, CSS and JavaScript

See My Portfolio Site

Quiz Game:

- A simple quiz game where the player has to choose the answer, the game will keep track of the score and the player will get 2 points for right answer and -1 for wrong answer.
- JavaScript 53.9%, CSS 33.4%, HTML 12.7%
- https://tusharbhatt-2003.github.io/Quiz-Game/

To-Do App:

- A basic to-Do list app with the feature of changing themes (Light & Dark). The user can mark the tasks that he/she had completed and also clear them and filter the completed task and incomplete tasks.
- JavaScript 43.1%, CSS 41.0%, HTML 15.9%.
- https://tusharbhatt-2003.github.io/To---Do-List-App/

Snake Game:

- A normal **snake** game, the **snake** will grow when it eats the food, and the game restarts when it crashes on the wall, if you are playing this on desktop you can change the colour of the **snake** by clicking 'c'.
- JavaScript 69.3%, CSS 18.7%, HTML 12.0%.
- https://tusharbhatt-2003.github.io/The-Snake-Game-/

Password Generator:

- The user can generate a password with a length between **6** to **30** characters. There are options to include **numbers** and **special characters**, and the user can copy the password to their clipboard.
- React and Tailwind CSS.
- https://tusharbhatt-2003.github.io/Password-Generator/

Slot Machine Game:

- This slot machine game is a fun and simple web-based experience where players can **deposit** money, choose the number of lines to **bet** on, and **spin** the reels to win. With a clean, r**esponsive** design and intuitive controls. Players can track their **balance**, adjust their bets, and enjoy easy-to-understand instructions, making it perfect for casual gaming.
